

MANLY VALE OSHC CENTRE

M: 0430 369 288 E: mvoshc@primaryoshcare.com.au

Dear Families,

We had a lovely time last week celebrating Chinese New Year with our Chinese Community. The children and staff all participated in discussions, crafts and cooking experiences related to this special holiday.

Our Health and Wellbeing program is well underway this term, Children have worked on developing their skills through Cricket and Touch Football. We have developed our communication skills and extended our ability to work in small groups. The children have also spent time exploring their interest in arts and crafts through painting and drawing. They have demonstrated ways to express themselves through art by exploring these methods.

We are weeks away from launching Kiosk! Please make sure you activate your account, check all authorised pick up persons and update any other information. More information will be given on the 19th of March at our Community Meeting, this will be held in the school hall from 8 am.

From the Manly Vale OSHC Team
