

MANLY VALE OSHC CENTRE

M: 0430 369 288 E: mvoshc@primaryoshcare.com.au

Dear Families,

We are sad to announce that Manly Vale Oshcare will be closed for the holidays due to ongoing work within the school. We have opened our neighbouring services to Manly Vale families to attend their holiday program which are scheduled to go out this week. These services will be Seaforth Oshcare, Farmhouse Montessori (Balgowlah) and Wheeler Heights OSHCare. Our Centre Coordinator will be operating from Seaforth to assist with enrolment and accounts at Seaforth Oshcare. If you would like to attend any of these services our \$20 registration fee will not apply to Manly Vale families. Please speak to Romina to be given instructions how to enrol at a different service.

We have been exploring all this sustainable. 2 weeks ago, we purchased some new bins to match the council bins to help promote recycling within the service. We had several children take interest in creating a sustainability wall and together with have begun working on decorating and making an area with information posters and pictures to help our peers, educators and community understand the importance of recycling.

From the Manly Vale OSHC Team
