

MANLY VALE OSHC CENTRE

M: 0430 369 288 E: mvoshc@primaryoshcare.com.au

Dear Families,

What a wonderful term we have had, it has flown by but we are so happy with how the service is going and all the feedback we have received from various families. There is still space available at our neighbouring services for vacation care. To book a spot please contact our centre Co-ordinator.

Term 1 brought in a lot of beautiful highlights and interesting conversations with our children at Manly Vale. Sustainability Club wanted to act regarding our rubbish problem and came up with creating a specific area for our recycling. We have also seen our vertical garden grow and mature from seeds to buds to mature plants that we are currently using for our pizza days. We have also seen our 2018 Kindergarten children learn and develop life skills like independence and resilience while developing their skills with their older peers. Some of the topics we have discussed have encouraged the groups to think about their actions including looking after the environment, conserving water, cultural celebrations, International Women's Day and sporting events such as the Winter Olympics and Commonwealth Games.

Our team wishes you a lovely school holiday break, we hope to see you back on the 1st of May when school resumes. Our term 2 focus will be Cultural Competence, we look forward to discussing this with the children, staff and families.

From the Manly Vale OSHC Team
