Dear Families,

The Early Bird Special for Vacation Care is now closed. However, we still have lots of space available. Please use My Family Lounge App to make a booking. We are looking forward to seeing the children during the holidays, we have lots of fun activities and experiences for them to enjoy. Please note that this will be the last Vacation Care at Manly Vale this year due to moving into the new school facilities early 2019. During the summer break, we will be closed, we will have openings for our children at neighbouring centres more information will be provided next term.

You would have received an email last week with some information regarding your CCS claims. Please log into 'mygov' account and [www.qkenhanced.com.au](http://www.qkenhanced.com.au) to edit your information and received the entitlements. I have attached the letter with the instructions for your convenience.

The Health & Wellbeing sport provided this term has been enjoyed by the children.

Our Touch Football program this week will be finishing, and the children have showed great skill development with our coach Michael. We have also enjoyed our activities throughout the week with lots of games provided. We have also celebrated Child Protection Week, the children responded well regarding who makes them feel safe and who they can talk to. Their responses can be found in our Children's meeting book.
