

School Administrative & Support Staff

Recognition Week 2019

This week is School Administrative and Support (SAS) Staff Recognition Week, a time to acknowledge and thank the often unsung heroes in our public schools.

Our SAS staff play an important role in the school community. They are often the first people you see when you enter a school and are essential to maintaining positive relationships with students, parents and the community.

SAS staff work in school offices, in classrooms and libraries and maintaining and caring for school grounds and buildings. They are often the ones to tend to students when they unwell and they ensure the efficient management of school financial and administration functions.

So please take a moment this week to thank our incredible SASS staff at Manly Vale Public School!
