

DON'T

why do people say don't so much, whenever
you try something new?

Its more fun doing the don't things

So why don't people say do?

Don't Kiss my Cat.

Don't have a Catnap.

Don't change all the clocks.

Don't eat my socks.

Don't write on the eggs.

Don't paint your legs.

Don't feed the chair.

Don't cut off your hair.

Don't walk like that.

Don't eat a hat...

Its more fun doing the don't thing,

So why do people say do.
