

Dear Manly Vale Public School students,
Staff and community,

On behalf of Tumbarumba public school
students, staff and community, I would like
to thank you for your kind and generous
gifts of money towards our school
excursion for our students following the
bushfires.

The bushfire affected me greatly
as me and my siblings were
separated from our parents as they
stayed to fight the fires. We went to
our grandparents on their sheep station
for 2 weeks.

We wish you a Merry Christmas and a
Happy New Year. From Laynee Clothier
