

If you aged 5 or older and at school you can join Scouts

Age 5 to 8 years

Joey Scouts or just Joeys is the first Section of Scouts for girls and boys aged 5 to 8, and it's all about discovery and excitement!

Joeys are part of a 'Mob', led by a Joey Leader. Joeys are encouraged to express themselves creatively, through games, stories and craft activities. From building monsters and space-ships from scrap items to growing plants from seedlings and singing songs together, all Joeys develop a strong sense of belonging and an understanding of the world around them.

Joeys learn how to share and care, and help other people. They also learn how to recognise native birds and animals, and develop an understanding of the impact of our modern world on the environment.

Some Joeys might even get the chance to have their first sleepover with their Mob, an important and fun 'first' for developing independence.
